	APPROVAL OF STATE ENGINEER	
7	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the	
llow	wing limitations and conditions:	
	This permit is issued subject to all existing rights on the	
	urce. It is understood that the amount of water herein granted	
	only a temporary allowance and that the final water right tained under this permit will be dependent upon the amount of	
va t	ter actually placed to beneficial use. It is also understood	
	at this right must allow for a reasonable lowering of the attic water level at permittee's well due to other ground water	
	velopment in the area. A substantial weir or other type of	
nea	asuring device must be installed and measurements of water use	
	pt. The well shall be equipped with a 2-inch opening for asuring depth to water. If well is flowing, a valve must be	
ins	stalled and maintained to prevent waste. The State retains	
	e right to regulate the use of the water herein granted at y and all times.	
ацу	y and all cimes.
